Children's day care in Bonn

Family-like childcare for children aged 0–3 years.

Saturday, May 9, 2026

from 2 p.m. to 5 p.m.

Registrations until May 8, 2026

Dear parents
and legal guardians,

We, the Bonn child daycare providers, warmly invite you to visit us on the **Open Day** at various locations across Bonn and to get to know our family-like childcare services.

Child daycare offers loving and individualized care for children aged 0 to 3 and represents an equivalent alternative to kindergarten. It is characterized by personal and attentive care in small groups and, like daycare centers, is publicly funded by the City of Bonn.

Please feel free to stop by, learn more about the individual concepts, and ask us your questions.

We at the Network for Child Daycare Bonn also offer some child daycare providers the opportunity to present themselves and their work in our rooms at Irmintrudisstraße 1c. You are therefore also warmly invited to visit us there and engage in conversation.

We look forward to getting to know you and your child!
